

## KEY INVESTOR INFORMATION

This document provides you with key investor information about this Fund. It is not marketing material. The information is required by law to help you understand the nature and risks of investing in this Fund. You are advised to read it so you can make an informed decision about whether to invest.

### World Healthscience Fund

A sub-fund of BlackRock Global Funds

**Class D2 USD**

**ISIN: LU0329593007**

**Management Company: BlackRock (Luxembourg) S.A.**

## Objectives and Investment Policy

- ▶ The Fund aims to maximise the return on your investment through a combination of capital growth and income on the Fund's assets.
- ▶ The Fund invests globally at least 70% of its total assets in the equity securities (e.g. shares) of companies the main business of which is in healthcare, pharmaceuticals, medical technology and supplies and the development of biotechnology.
- ▶ For the purpose of managing currency exposure, the investment adviser (IA) may use investment techniques (which may include the use of financial derivative instruments (FDIs)) to protect the value of the Fund, in whole or part, or enable the Fund to profit from changes in currency exchange rates against the base currency of the Fund. FDIs are investments the prices of which are based on one or more underlying assets.
- ▶ The IA has discretion to select the Fund's investments and in doing so may take into consideration the MSCI World Healthcare Index.
- ▶ Recommendation: This Fund may not be appropriate for short-term investment.
- ▶ Your shares will be non-distributing (i.e. dividend income will be included in their value).
- ▶ Your shares will be denominated in US Dollar, the Fund's base currency.
- ▶ You can buy and sell your shares daily. The minimum initial investment for this share class is US\$100,000 or currency equivalent.

For more information on the Fund, share/unit classes, risks and charges, please see the Fund's prospectus, available on the product pages at [www.blackrock.com](http://www.blackrock.com)

## Risk and Reward Profile

- ▶ This indicator is based on historical data and may not be a reliable indication of the future risk profile of the Fund.
- ▶ The risk category shown is not guaranteed and may change over time.
- ▶ The lowest category does not mean risk free.
- ▶ The Fund is rated six due to the nature of its investments which include the risks listed below. These factors may impact the value of the Fund's investments or expose the Fund to losses.
  - Investment risk is concentrated in specific sectors, countries, currencies or companies. This means the Fund is more sensitive to any localised economic, market, political or regulatory events.
- The value of equities and equity-related securities can be affected by daily stock market movements. Other influential factors include political, economic news, company earnings and significant corporate events.
- Active management of currency exposure through derivatives make the Fund sensitive to changes in foreign exchange rates. If the currency exposures against which the Fund is hedged appreciates investors may not benefit from such appreciation.
- ▶ Particular risks not adequately captured by the risk indicator include:
  - Counterparty Risk: The insolvency of any institutions providing services such as safekeeping of assets or acting as counterparty to derivatives or other instruments, may expose the Fund to financial loss.

## Charges

The charges are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

The entry and exit charges shown are maximum figures. In some cases you might pay less. Please refer to your financial advisor or the distributor for the actual entry and exit charges.

\* Subject to a charge of up to 2% paid into the Fund where the Manager suspects excessive trading by an investor.

The ongoing charges figure is based on expenses for the twelve month period ending 31 May 2016. This figure may vary from year to year. It excludes portfolio trade-related costs, except costs paid to the custodian and any entry/exit charge paid to an underlying collective investment scheme (if any).

\*\* To the extent the Fund undertakes securities lending to reduce costs, the Fund will receive 62.5% of the associated revenue generated and the remaining 37.5% will be received by BlackRock as the securities lending

agent. As securities lending revenue sharing does not increase the costs of running the Fund, this has been excluded from the ongoing charges.

### One-off charges taken before or after you invest

Entry Charge	5.00%
Exit Charge	None*

This is the maximum that might be taken out of your money before it is invested or before proceeds of your investments are paid out.

### Charges taken from the Fund over each year

Ongoing Charges	1.06%**
-----------------	---------

### Charges taken from the Fund under certain conditions

Performance Fee	None
